1. Chapter 1: Band's Proper 1st Gig!

****I recently started watching the show and I love it! I also love The Next Step which is created by the same person as Lost and Found and features some Next Step dancers.****

****(THE ***_**italic **_**WRITING IS WHEN THE CHARACTERS ARE TALKING TO THE CAMERA IN THE SHOW.)*****

Luke was busy talking on the phone. James, John and Theo were staring at him intensely. He had been on the phone for a solid thirty minutes and it made the boys intrigued.

"He never spends this long on the phone." said John.

"What do you reckon he's talking about?" asked Theo.

"Do you think he's finally chat up a girl?" asked James, smirking.

"No, it's probably something got to do with music." Said John.

"Or he's talking to a ninja kangaroo." Nodded Theo. John and James looked at him.

"That's deluded! He isn't talking to a ninja kangaroo!" said James.

"He might be, you never know." Said Theo. James rolled his eyes.

_James: I definitely know that he's not on the phone with a ninja kangaroo. But when it comes to Theo you never know what he's going to say next. _

Luke hung up and approached the band. He had a huge grin on his face.

"Guess what that was!" he said. John, James and Theo looked at each other.

"A girl." Said James, simultaneously with John and Theo.

"Music Stuff" said John, simultaneously with James and Theo.

"A ninja kangaroo." Said Theo, simultaneously with James and John.

"No, close, wait? Did you just say ninja kangaroo?" asked Luke.

Theo nodded his eyes wide.

"I knew it would happen! You've been contacted!" he said.

"Yeah, but not by Kangaroo Jack." Said Luke.

"Whose jack?" said The boys, simultaneously. Luke rolled his eyes.

"I have been contacted by, our first official gig!" he said.

"I thought that was last week." Said James.

"That wasn't really our first." Said Luke..

"We got paid." Said John.

"Yeah and that old lady gave me a bonbon!" said Theo.

"Guys, that was our first gig! But this is our first proper gig!" said Luke.

"You mean the first one where you haven't turned up looking like you lost a fight to a racoon?" said James.

"Exactly." Said Luke. John and Theo looked at Luke and jumped on him. James stood there casually. The boys looked at each other and jumped on him.

"Yayyyyyyyyyy!" said Theo.

"Our first official, proper, un raccoon related gig!" said John.

"Yep!" said Luke.

"But what if it's a disaster like our real first gig?" said

Theo.

"James." Said Luke. James grinned and looked at Theo. James placed his hand on Theo's shoulder and sighed.

"Don't even worry about it." Said James.

2. Chapter 2: Band Drama & Clara Drama

Maggie was waiting in the ball pen, alone. It was the first proper meeting since she had got back with the band.

_Maggie: I really want to make this work, I don't want to let the girls down again, so I came early. A little too early. _

Annabelle, Rachel and Leia all walked in talking, they stopped when they noticed Maggie. Rachel and Annabelle smiled, Leia put on a smile also.

_Rachel: It's great that Maggie came early it means she's determined to make this work. _

Leia: Really Maggie! You think turning up early will obliterate everything from my mind! Well! That isn't going to work!

"You're early, that's good." Said Leia. The girls approached Maggie as she stood up from her chair.

The group sat down, it was silent for a moment.

"How about I start of, Maggie? Do you remember our agreement?" asked Leia.

"Yeahâ€¦I" she managed before she was cut off by Leia.

"Great, stick to it." She said. Rachel and Annabelle looked confused.

"What agreement?" asked Rachel.

"Nothing important." Said Leia.

Leia: I don't tell the others about the new Luke truce because they might think it's unfair. Well you know what's unfair? The fact that Maggie has got more hugs out of Luke in a few weeks then I have managed in a few years!

"How about we kick things off with a progress report?" said Leia.

Maggie: I don't know why Leia didn't tell them. But I'd better stick to her plan as I'm trying to stay on her good side.

Meanwhile, Clara was sitting in Java Junction. She was fiddling with juice bottle.

_Clara: First I make a stupid mistake, one that makes me feel excluded from everyone. Then I don't get into the band because the one person who was there for me took my spot. Well at least Eva knows

how it feels know. I just don't think I belong at Lost and Found anymore._

Sitting across the junction is none other than Britney. She sips her drink quietly until she notices Clara.

Britney: I heard what happened to Clara. I feel bad for her but surely I deserve to be at Lost and Found more than her. Or maybe she feels like she doesn't want to be there anymore. Either way I can't pass up this opportunity.

Britney walks up to Clara and sits opposite her. Clara is staring at the table.

"Hey." Said Britney. Clara looks up.

"Hey." She replied.

"What's wrong?" Britney asked. Clara sighed.

"Everything." Said Clara. Britney sighed.

Britney: Boy, am I going to be here a while!

3. Chapter 3: Girl's Band Drama

"So Leia, Have you came up with any new songs?" asked Rachel.

"That shouldn't even be a question! Of course I have." Said Leia.

"Great, what are they called?" asked Annabelle.

"Well I wrote too, one called _No Chance_ and another called _Potential Love._" Said Leia.

"Cool, can we hear them?" asked Rachel.

"Well they are a bit long so I recorded it on my iPod, do you want to listen?" asked Leia.

"Sure." Said the girls, simultaneously. Rachel and Annabelle both put an earplug in.

Leia: You might already know what my songs are about. I couldn't help be inspired under the current situation. Because now there is no risk of Maggie and Luke and total risk of me and Luke! Yay! Everything's coming up Leia!

Maggie: I can't help but feel these songs are about Myself, Leia and Luke. But I guess now if I want to stay in the band, me liking Luke won't be a problem anymore.

Maggie looks at the girls.

"Is the meeting over? I need to go do something." Said Maggie.

"Sure Maggie, thank's for your commitment to the band." Said Leia.

Rachel and Annabelle smiled at her, still listening.

Maggie walks to the door of the ball pen.

_Maggie: Now. I just have to stay away from Luke. Which shouldn't be too hard, but honestly it's killing me inside. _

4. Chapter 4: Jiley The Pranksters

James, Luke, John and Theo are sitting in the Junction. All drinking celebratory juices because of the new news of there first proper gig.

Suddenly, Riley and Michelle are at the Junction doorway.

"Come on Michelle!" said Riley. Michelle shook her head.

"No! I can't go near John, I might hurt him!" Said Michelle.

"He isn't made of glass! You can't just suddenly hurt him." Said Riley.

"But I found out lots of stuff about him from his grandma and now I just don't want to be in the same room as him." Said Michelle.

"Why?" asked Riley.

"Because I don't want to hurt him!" said Michelle. Riley sighed.

"Michelle, I'm going over there to congratulate James and the boys properly, you can either come or not." Said Riley.

"I'm not coming." Said Michelle.

"Suit yourself." Said Riley. She walked up to the table where the boys were sitting.

"Hey!" said James, he stretched out his arm to hug Riley.

"Hey, I just wanted to congratulate all of you properly in person and not just James passing on a message." Said Riley. James rolled his eyes.

"Thank you Riley." Said Luke. Riley smiled.

"I hope it all works out this time." Said Riley. The boys looked at James.

"You told her?" they said.

"Yeah, I tell her everything." Said James. The boys looked shocked.

Luke: Wait, what!

"But no, like, band secrets." Said John.

"It really depends, just consider Riley as the fifth member but not playing anything or singing or doing anything." Said James.

"So I'm basically the fifth member but really I'm not." Said Riley.

"Exactly." Said James. The boys looked confused.

"So you know aboutâ€|" said Theo.

"Yep, I know all your secrets, but I won't tell anyone." Said Riley, smiling.

Luke: I'm shocked. That's the last time I tell James anything.

James: Seeing the boys faces when they think I've told all there secrets to Riley who gossips daily with Michelle, Giselle and any girl in a five mile radius.

_Riley: It's great that James let's me help prank the band like that.

—

"I'm kidding! I don't tell Riley anything about the band, it's between boys! Sorry Riley." Said James.

John, Luke and Theo breathed out in relief.

"That's ok, anyway James I'll see you later?" she asked. James smiled.

"Count on it." Said James. Before she left she placed a kiss on his cheek before walking off.

"Dude! That's just embarrassing." Said Luke, commenting on the kiss.

"No it isn't, you know why? 'Cuz I've got a girlfriend and you guys haven't!" said James.

John, Theo and Luke sighed.

"Maybe we should call our band the 3 single guys and the 1 lucky one." Said Theo.

5. Chapter 5: All I Wanted ft Maggie

Clara and Britney were currently walking outside the studio.

"So what your saying is you don't feel you belong anymore?" said Britney.

Britney: It's even better than I thought. She doesn't want to even be a the studio.

Clara: Britney is being really nice to me; it's great to know someone is listening.

"Basically, yes." Said Clara.

"So what are you going to do?" asked Britney.

"I'm not sure." Said Clara. Britney impatiently sighed.

"Well surely, if you don't feel like you want to be there you shouldn't be there." Said Britney.

"Maybe." Said Clara.

"Maybe?" asked Britney.

"Yeah, I mean I really tried my best to get in and I did so should I stay?" asked Clara.

"If your heart's not in it then you shouldn't stay." Said Britney.

Clara: Britney is making a lot of sense. Maybe I should listen to her and leave Lost and Found. Because right now, I'm feeling lost.

Maggie is sitting in the ball pen alone with her guitar.

Maggie: I'm playing All I wanted by Paramore on my guitar right now. Because even though I try to deny it and want to deny it the more I stay away from Luke the more I think of him. I've never really jammed to a proper love song before which is making me confused about everything, the band, me, Luke, Leia. All of this is confusing me even though I try so hard for it to be simple. Why can't it be simple?

"All I wanted was you. All I wanted was you." Sang Maggie.

Maggie: I try to figure out what I want more. Honestly I want the band otherwise I wouldn't of said yes to the new Luke truce.

"All I wanted wasâ€¦|" sang Maggie.

Maggie: I'll make it simple. I know what I want and it isn't Luke, it's the band.

6. Chapter 6: Britney Confides In Leia

Michelle was dancing her heart out alone in A Studio. She was trying to clear her mind with all the John thoughts.

Michelle: When ever I'm worried or upset about something dance always gets it of my mind, like before with Eldon, Myself, Emily and Hunter. But now all I can think about it John.

Michelle does a cartwheel and flips her hair. She then does several pirouettes.

_Michelle: I know he likes me and I like him. But I'm scared of hurting him. _

As Michelle catwheels into the splits she stays still.

_Michelle: I can't hurt him, I won't. _

Clara had left to talk to Giselle a while back and Britney was now sitting down outside Lost and Found. She sighed.

Britney: I have a feeling that Clara was my last shot. I don't know what to do now. I'll just have to wait and see what happens.

Leia walks out of Lost and Found and notices Britney sitting down. She exhaled.

Leia: I never really liked Britney, there's just something about her. But she looks sad soâ€¦|

Leia walks across to Britney and sits opposite her. She looks up.

"Hey." Said Britney.

"Hey, What's up?" asked Leia. Britney sighed.

Britney: I have always had a feeling that Leia doesn't like me but yet here she is concerned. Maybe I can make peace with her now.

"I missed my chance at lost and found again." Said Britney.

"There's always next year." Said Leia.

"That's what I said to myself last year. I just really want to get in." said Britney.

"Well I know for a fact that you're first on the waiting list so you do have more chance then most other people." Said Leia.

"I know that. That's why I'veâ€¦|" said Britney.

"Yes?" asked Leia. Britney looked at Leia.

"Leia, I've done something awful." Said Britney. Leia looked confused.

"What?" she asked.

7. Chapter 7: Michelle's Confession

Maggie walked into Java junction. She was heading to the counter when she saw Luke sitting with his band at a table, she froze.

_Maggie: What is wrong with me! I can be in the same room with him without freaking out! I'm not Leia! What is happening to me?

—

Maggie's foot went backwards.

John looked up and saw Maggie. He smiled. She smiled back before turning around and running back where she came.

John: Well that was strange.

Maggie: Better be safe than sorry.

Riley was on her phone talking to her sister. She was walking down the corridor to Studio A.

"Em, No that's not..Okay sure." She said before she walked into the studio and saw Michelle sat on the floor cuddling her legs. Riley raised an eyebrow.

Riley: What is she doing?

"Em, I'm gonna have to call you back, 'kay, bye!" she said, before walking towards Michelle.

Michelle: In the corner of my eye I see Riley. That's just great! She'll definitely want to know what's up. That's all I need!

"Michelle? Are you okay?" she asked.

"Erm, yeah I'm fine." She replied. Riley sighed.

"When your upset about something you always start your sentences with 'erm' "said Riley.

"Erm, no I don't." she said.

Michelle: Darn It!

"Is this about John?" asked Riley.

"Why'd you always assume it's about John." Said Michelle.

"It's about John isn't it?" asked Riley. Michelle sighed.

"Yeah." Said Michelle. Riley sat down next to her.

"What are you upset about." Said Riley.

Michelle: Honestly, there is so much right now.

"I'm not exactly upset." Said Michelle.

"What do you mean?" asked Riley.

Michelle: Wait, I'm not upset.

"I think I'mâ€|" said Michelle.

"Yes?" asked Riley. Suddenly, it clicked in Michelle's head.

"I'm angry." She said in disbelief.

"Angry?" said Riley, puzzled.

Michelle: Yeah, now that I think about it I'm angry.

"I'm angry at John." Said Michelle.

"Why?" asked Riley, shocked.

"Because he didn't think he could tell me about his mum. In fact I had to coax it out of his Grandma, who is a nice lady but she drinks too much tea. I'm angry at John at writing so many songs about me but never actually having to have the courage to tell me to my face. I'M EVEN ANGRIER AT MYSELF FOR NOT JUST GOING UP TO HIM AND TELLING HIM HOW I FEEL-"said Michelle, her voice getting louder and louder.

Riley: I think Michelle is having an meltdown. It reminds me of the time when I yelled at James about the costumes when we went out together for shawarma. Ahh, Memories.

"-ALSO I'M ANGRY AT THE FACT THAT EVERYONE KNOWS ABOUT US APART FROM US AND ALSO I'M ANGRY THAT I'M WORRYING ABOUT HURTING HIM WHEN NOW IT'S HURTING ME!" yelled Michelle.

Riley: I never knew Michelle had so much fire power in her.

"Feel better?" asked Riley.

"Tonnes." Said Michelle, breathing heavily.

Michelle: It feels great to let it all out.

"So now what are you going to do?" asked Riley.

"I'm going to stop stalling and just tell him how I feel." Said Michelle.

"You go girl! When?" asked Riley.

"Right now." She said, getting up.

"Wait what? Now?" asked Riley, getting up too.

"Yep, no time like the present." She said.

Riley: I think Michelle's lost it.

8. Chapter 8: Jochelle's Arrived

James, John, Theo and Luke are sitting in Java Junction. They are still talking.

"What's the strangest thing you've seen today?" asked Luke.

"Theo." Said James.

_Theo: Ahhhhhh! Thanks James! _(No sarcasm)

"I saw this strange video on youtube about somebody in Scotland depp frying mars bars." Said theo.

"That's not strange, that's just gross." Said Luke.

"What about you Luke?" asked James.

"Erm, I saw a raccoon chasing a pigeon earlier." Said Luke.

"No way!" said Theo.

"Way." Said Luke.

"John? What about you?" asked Theo.

"Erm, Well I did see Maggie doing a weird moon walk in here earlier." Said John.

_Luke: That's strange. _

"What do you mean?" asked James.

"Well she just came in here and then she went backwards and ran out the room, her face looked frozen when I looked at her." Said John.

"Well your glare does repel girls." Said James. Luke and Theo laughed. John rolled his eyes.

James got a text. It was from Riley

Riley- Incoming.

James: What does that mean?

Michelle marched into the junction, Riley was jogging after her.

"Michelle wait!" said Riley.

Riley: I don't think anyone should be confessing love in the state that Michelle's in.

Michelle scanned Java Junction until she saw the band and John.

Michelle: There he is!

Riley: Uh oh!

Michelle marched up to the band, Riley out of breath behind her.

James's eyes widened when he saw Michelle's determined face. He looked at Riley who was bending down and her hands were pressing a stitch. Riley shook her head vigorously.

"Hi Michelle." Said Luke. His head looked behind her.

"Oh hey Riley." Said Luke. Riley raised a hand signalling hi back.

"Can I borrow John for a second." Asked Michelle.

John: Wait what!

"Ehhhh?" said the boys, puzzled.

"Okay thanks." She said, walking to John and grabbing his arm to make him stand up.

Luke: This is awkward, am I the only one thinking this is awkward.

"This is awkward." Said Riley. Luke nodded.

James looked at Riley.

"What's happening?" he said.

"It's all going to go down." Said Riley.

"Now?" said James.

"Now!" said Riley.

James: Well this is one to watch, I need popcorn! Does anyone have popcorn?

"Do you like me?" asked Michelle.

"You know I do." Said John.

"Know I mean like like me." Said Michelle.

"Ermmm." Said John.

"Forget it, I know you do I heard the song you wrote about me." Said Michelle.

John: Wait! She heard it? Oh no!

"Yeah well Iâ€¦" managed John, before he was cut off by Michelle.

"I just need a straight answer, say yes or no if that song was or wasn't about me." Said Michelle.

James, Luke, Theo and Riley looked at the pair; they were on the edge of their seats.

Michelle: Why isn't he answering.

John: I might as well tell her.

"Yes." He said simply. Michelle smiled; suddenly she pulled John's collar and kissed him passionately. John's eyebrows rose in surprised.

Riley, James, Theo and John's mouths fell open.

Luke: Yes John!

James: Didn't think that would happen.

Riley: That wasâ€¦unexpected.

"I guess now we should be called 2 single guys and 2 lucky ones."

Said Theo.

9. Chapter 9: Britney's Confession

Leia was still outside with Britney. They Had heard the chatter from inside the Junction.

"What do you reckon that was?" asked Britney.

"Nothing, so you what?" asked Leia.

Leia: I can't believe what Britney just told me.

"I fell bad repeating it." Said Britney.

"You should, so let me get this straight. You heard everything that was going on with Clara so you talked to her making her feel better but in actual fact you were convincing her to leave Lost and Found for your own selfish reasons." Said Leia, shocked.

"Yeah." Said Britney, ashamed.

"No wonder I don't like you." Said Leia, before walking inside.

Britney: That didn't go well.

Leia walked into the Junction, shaking her head.

Leia: I can't believe what Britney did! Well I now know why I never liked her, because I sensed she is a manipulative selfish person. I have to find Clara.

Just as Leia is about to head towards the ball pen she notices Theo, James, James's girlfriend Riley and of course Luke talking rapidly. She sensed that's were the commotion was.

She walked towards them as her curiosity got the better of her.

"Hey guys. What's going on?" asked Leia.

"You should of seen what just went down." Said James.

"What?" asked Leia.

"Well Michelle just confessed her feelings to John by acting very over confident." Said Riley.

"How over confident?" asked Leia.

"She kissed him." Said Luke. Leia looked at Luke, she smiled.

"Ahh! How romantic!" she smiled.

Luke: Of course Leia would see it that way.

Riley: I wouldn't say romantic Leia I'd say extremely sudden.

"Anyways, they've gone of to talk to each other about there feelings." Said Luke.

"It's funny when _you _say the word 'feelings'." Chuckled James. Riley rolled her eyes and elbowed James in the ribs.

_Leia: Him saying feelings makes me have more feelings. _

10. Chapter 10: Jochelle Talk

Michelle and John had actually walked into the next step building to talk they were in the music room sitting down.

"Sooo." Said John, awkwardly.

"So." Said Michelle, just as awkwardly.

Michelle: Why did I kiss him? I wasn't myself! Normally I would take the slow approach! Riley should have stopped me! Now it's just awkward!

"Sorry about that, I wasn't myself." Said Michelle.

John: Wait? She's sorry.

"Sorry?" asked John, more confused.

"Not sorry that it happened just sorry how it happened." Said Michelle.

Michelle: Did that make any sense?

"Oh, okay." Said John.

"So I, ehh, I should probably tell you that I went round your house the other day and I spoke to your grandma." Said Michelle.

"You did?" asked John.

"Yeah and she told me some things. Things that I thought you would've told me." Said Michelle.

John: She knows about my mum.

"So you know about my mum?" asked John.

"Yeah." Said Michelle.

"Oh." Said John.

John: Great

"Why didn't you tell me?" asked Michelle.

"It's painful to talk about it." Said John.

"Yeah, but it helps to talk to someone. I could've been that someone." Said Michelle.

"I know, I'm sorry I didn't tell you it's just I like you a lot and I didn't want what we have to just be talking about the bad stuff."
Said John.

"I get it, it seemed like when my parents got divorced it was all anyone I knew talked about and it hugely impacted my life. Not that mine is at the same level, I could never imagine losing my mum."
Said Michelle.

"It's one of the worst feelings in the world." Said John.

"I'm sorry." Said Michelle.

"Don't be, it's all anyone ever says that their sorry when it wasn't there fault." Said John.

"Okay." Said Michelle, simply.

Michelle: What do I say next?

"Can we talk about something different?" asked John.

"All right, John? Would you like to go on a date with me?" asked Michelle.

John: Whoa! Massive change in subject.

"Ehhh, yes Michelle. I'd really like that." Smiled John. Michelle smiled back at him.

11. Chapter 11: Clara's Found & Jiley

Leia walked into the ball pen. She saw Clara sitting down and staring at the floor.

Leia: I have to stop her from leaving, it's my duty as a longer standing member of lost and found.

"Hey." Said Leia. Clara looked up, her eyes were red.

"Hey." Whispered Clara. Leia sat next to her.

Clara: I don't know what Leia's doing here. I'm already confused after talking with Britney I don't need any more confusion in my life right now.

Leia: I should just tell her.

"Clara, listen close. Lost and Found does value you. Even though you made a stupid mistake your life isn't over and you shouldn't let anyone convince you to leave." Said Leia.

Clara looked at Leia confused.

"Convince me?" she said.

"Yeah, Britney just really wants a spot here so she tried to persuade you to leave, which is wrong because she was being selfish." Said Leia.

Clara: So Britney wasn't just being nice to me. I knew it! Nobody really cares. First Eva now Britney. Everyone just hates me!

"I should just let her have my spot, she deserves it more than me." Wept Clara.

"Don't say that! You are really talented! You just need something to fight for. Something to look forward to." Said Leia.

"Yeah? Like what." Said Clara.

_Clara: I'm a drift. I might as well go as there is nothing for me here. _

"Like I don't know maybe your whole future as an artist?" said Leia.

Leia: Clara needs to wipe away her tears and move on from this.

"Leia? Do you think I can make it?" asked Clara.

"If you try then yes I do." Said Leia.

"Ok, thanks." Said Clara.

"Your welcome." Said Leia.

Clara: Leia's right I can't let this one thing stop me from fulfilling my dream.

James walked into Riley's Office with Riley on his back.

"Thank goodness I'm not on A-Troupe any more because I think I pulled something." Said Riley.

James: Honestly I think she's faking her 'injury' so she could just get me to give her a piggy back to her office.

"Poor you." Said James, gently placing Riley down on the floor.

"Ow, my foot." Said Riley, biting her bottom lip. James nodded.

Riley: I'm actually faking my foot injury so James could take me to my office. What! I'm out of breath, who knew Michelle could march so fast?

James's eyes widened and he pointed behind Riley.

"OH MY GOD! IT'S A LIVE CHICKEN!" said James. Riley's eyes widened, she ran behind him.

"AHHHHHH!" she screamed.

James started laughing. Riley looked at James annoyed, she pushed him.

"I knew you were faking!" said James.

"Don't you ever do that to me again!" exclaimed Riley.

Riley: How could he? He knows I hate chickens!

"Come on Riley! You made me piggy back you here." Said James.

"I didn't make you do anything, you just did it." Said Riley.

"Yeah, because I love you." Said James. Riley smiled.

Riley: Ahhhhhh!

James: I Knew that would work.

"Even though you are my horrible, chicken pranking boyfriend, I love you too." Said Riley.

James opened his arms. Riley rolled her eyes and hugged James.

12. Chapter 12: The Errand & Let's Record!

The Next Day, Luke was talking to Theo in The junction when suddenly his phone rang.

"Maybe it's the gig." Said Theo, excitedly. Luke looked at the number.

"It's not the gig It's Parker, I've got to take this." Said Luke.

"Ok." Said Theo.

Luke got up and went to the corner.

"Hello Parker! You know if you needed to talk to me you could of just found me in the junction." Said Luke.

"I'm not at Lost & Found, in fact I'm out of town running an errand." Said Parker.

"An errand?" said Luke.

"Yes, one that I need you to help me with." Said Parker.

"Why me?" asked Luke.

"Well it was either you or Theo." Said Parker.

"Point taken, what would you want me to do?" asked Luke.

Theo was looking at his juice from it's side.

Theo: This juice looks like jello.

"How can it be so thick!" said Theo, to himself.

Theo: This juice looks condensed.

Suddenly Luke walked over to Theo, he saw what he was doing and frowned.

"What are you doing?" he said.

Luke: With Theo it's best not to ask.

"So what did Parker want?" asked Theo, looking up from his thickened beverage.

"Oh, she needs me to run an errand for her." Said Luke.

"Oh okay." Said Theo, he stood up and looked at Luke.

"You coming?" he said.

"What do you mean?" asked Luke.

"Well we have to practice for that studio performance for the public later." Said Theo.

Luke's eyes widened.

Luke: I forgot! I double booked myself, I have to run the errand later and perform! What am I going to do!

Rachel and Annabelle were sitting in the recording studio. They seemed to be waiting for someone.

Annabelle: Myself and Rachel were bored one time and actually wrote a song together! So we're here to record it.

Rachel: Yep, we wrote a song! But we're waiting for Jude.

Suddenly, Jude ran into the recording studio. He was out of breath. Annabelle and Rachel looked at him. Rachel looked miffed.

"I'm so sorry I'm late! I was talking to Eva and I lost track of time!" said Jude.

"You better be sorry! Oh session is almost up." Said Rachel.

_Rachel: I'm so mad at Jude! I Manage to write a good song, sorry we manage to write a good song and he turns up late to help us record it! _

"No probs! Look at the schedule." Said Jude, he pointed to a piece of paper on the wall.

"What?" asked Annabelle, confused.

"My session's after yours, so you can use time from my session." Said Jude.

"Are you sure Mr T won't mind?" asked Annabelle.

Jude: Ah Oh, Mr T.

"No! After all it's my career not his!" said Jude.

"Ok then, let's start." Said Rachel, impatiently.

"Great." Said Jude.

_Jude: I really hope Mr T doesn't find out. _

13. Chapter 13: Luke's Dilemma

Leia is sitting in the ball pen, she is writing in her notebook.

_Leia: Right now, or should I say Write now! I'm writing song lyric ideas into my notebook. Recently my mind's been packed with ideas. Mustn't let them go to waste. _

Suddenly, Luke comes running into the ball pen. He looks around but doesn't notice Leia. He runs into the green room.

Leia: I'm just jotting ideas about love and time when I see Luke run in. Now's a chance to talk.

Leia stands up and places down her notebook just as she walks towards the green room Luke runs out and almost bumps into her. He looks frantic.

"Oh, sorry Leia." Said Luke, out of breath.

"No worries, what's wrong?" she asked. Luke looks at her,

Luke: Nothings wrong! Why would anything be wrong!

"Nothing's wrong." Replied Luke.

Leia: I've never seen Luke like this and I have seen Luke a lot.

Luke: I don't tell Leia because I don't want anyone to know, it's embarrassing. I double booked myself so now I have to literally be in two places at once. Running an errand for Parker and on stage later.

"Come on, I know something's up." Said Leia.

Luke: I'm searching for the one person that could actually help.

"Have you seen Maggie anywhere?" asked Luke. Leia frowned.

Leia: Maggie! Of course he's looking for Maggie! That's just my luck!

"No." replied Leia. Luke's face fell.

"It's just I've been looking everywhere for her but she doesn't seem to be around, it's not like she's avoiding me so where is she?" asked Luke.

Leia: Good girl Maggie. You're keeping up with our deal.

"I don't know where she is, but could I help you?" asked Leia.

Luke: It's nice of Leia to offer but I need to find Maggie. Because one of her many uncles is actually an employee at the place where I need to run an errand so if there was any chance she could run it instead of me I would manage to perform later. But now I can't find her it looks like I'll have to hurry and finish one then hurry to do the other.

"No, sorry. It's something only Maggie can help me with." Said Luke, before running out of the ball pen.

Leia: I'm glad Maggie's avoiding Luke but now I just have to worry about Luke finding Maggie.

14. Chapter 14: Desirable & Luke's Avoided!

In the recording studio Annabelle and Rachel were just finishing of there song using up 10 extra minutes of Jude's time.

Jude: No worries! I can record my piece in the remainder of the session.

"Ohhhh Ohhhhhhhh." Sang Annabelle.

"Yeah baby, your desirable." Sang Rachel.

Annabelle and Rachel cracked a grin.

"That was sick! Great song! About anyone in particular?" asked Jude, raising his eyebrows.

Rachel rolled her eyes.

"You wish." Said Rachel. They walked out of the soundproof room and thanked Jude for recording their song before leaving the room.

Jude exhaled.

Jude: I going to have to say this rap really really fast.

John, James and Theo were sitting on the Lost and Found stage.

"Where's Luke." Asked John.

"I don't know, he said he'd be late for practice but he's never this late." Said Theo.

Maggie walked into the room. She saw the guys, she was about to turn back when she noticed Luke wasn't there.

_Maggie: False alarm. _

"Hey guys." She said, walking towards them.

"Hey Maggie." Said Theo and John, simultaneously.

"Luke's not here." Smirked James. Maggie blushed.

"I wasn't looking for Luke." Said Maggie.

"Hmm Hmm." Nodded James, suspiciously.

James: I'm not stupid I know what's going on. Some war between Leia and Maggie. The funny thing is Luke has no clue.

"Yep, so anyways you guys look annoyed, what's up?" she asked.

"Well as you can see, Luke hasn't turned up yet." Said James.

Maggie: Oh boy, that means he'll be here any minute.

"Oh, okay. I'm sure he'll turn up. I'm going to go before he gets he.." she stopped, mid-sentence.

James raised an eyebrow.

Maggie: I wasn't meant to say that!

"Yeah I'm gonna go! See ya!" she said, before walking rapidly out of the room.

"Weird." Mumbled James. Theo and John were just tuning there guitars.

Suddenly, Luke emerged from the other stage room entrance, immediately after Maggie had left through the other one.

"Sorry I'm late guys, I was looking for someone." He said, picking up his guitar.

"Oh. Who?" asked John.

"Maggie." Said Luke. James smirked.

"You just missed her." Said James. Luke spun to look at James.

"What?!" exclaimed Luke.

"Yeah, she just left." Said James. Luke's eyes widened.

Luke: I need to find her! She needs to help me out!

"Sorry guys but I've got to go!" said Luke, taking of his guitar and running out of the exit that Maggie walked through.

"That's just great." Said James, sarcastically. John and Theo nodded in agreement.

15. Chapter 15: Jude Lies & Leia Helps Luke

Jude was in the recording studio when Mr T walked in. He sat down at

the seat and turned on the microphone.

"Ready to rap Jude?" asked Mr T. Jude put a thumbs up.

"Yep Mr T." said Jude, fiddling with his headphones.

"How much have you recorded before I got here?" asked Mr T.

Jude: Uh Oh? Should I tell him the truth or not?

"I eh, haven't exactly recorded anything yet." Said Jude.

Mr T: That's not like Jude at all, usually when I'm running late he just get's started.

"Really? But you had ten minutes." Said Mr T.

"Yeah, I felt it was better to wait for you." Said Jude.

Jude: Saved it.

"Really?" asked Mr T.

Mr T: Jude never waits to rap.

"Really." Lied Jude.

"Okay, well you're going to have to rap real fast then as there is only a short time left, don't do that again though. Next time just get started as you know there is limited recording time." Frowned Mr T.

"Sure thing Mr T." said Jude.

Jude: That was a close one.

Leia was in the Junction drinking juice. She had seen Maggie march quickly out of the room a few minutes before, she didn't think anything of it.

But suddenly, Luke comes running into the junction and looks around frantically. She joined up all the dots.

_Leia: That's just brilliant. _

Luke looks around and his face falls just as he's about to turn back he notices Leia and walks towards her.

Leia: Luke's coming over here! Act natural!

Leia casually takes a sip of her juice but splutters as Luke sits opposite her.

Leia: Real smooth Leia.

"Hi Leia, Are you okay?" asked Luke.

"Yeah, I'm fine! This juice is just condensed! What's up?" gasped Leia. Luke frowned.

_Luke: I have literally no option, I couldn't find Maggie anywhere.
And Leia did offer to help._

"You when earlier you offered to help." Said Luke.

"Yeah." Said Leia.

"Well, I need your help." Said Leia.

_Leia: Yey! Luke's asking for my help! Everything's coming up
Leia!_

"Sure." Said Leia. Luke smiled. Leia grinned back.

16. Chapter 16: Mr Cool & Clever

****There is a made up song in this, as I'm not a song writer I just
used a online song generator so sorry if the lyrics are a bit cheesy!
Please Review!****

Annabelle and Rachel where sitting in the green room. Annabelle had
her vlogging camera with her.

"Hey guys! Right now I'm in the green room talking to fellow bad
mate, Rachel!" said Annabelle, to the camera.

Rachel waved at the camera.

"So anyways, Annabelle I was thinking maybe we should perform
Desirable in the stage performance later." Said
Rachel.

Annabelle's face lit up, she looked at the camera.

"Did you here that folks?! Rachel wants us to perform our song
_Desirable _to the public later! My answer is definitely yes!"
grinned Annabelle. Rachel smiled.

Rachel: It's going to be awesome!

Annabelle: I can't wait!

Maggie is sitting in the recording studio as it was her session. She
had her guitar in hand and the microphone was all set to
record.

_Maggie: The recording studio isn't just the place to record songs,
it is also a quiet place to think and relax. Plus there is no way
I'll bump into Luke in here._

Maggie starts playing a tune on her guitar. She smiles and walks to
the microphone.

_Maggie: I've got to admit, I'm no songwriter but now I'm just
singing the first words that come to mind._

"This is for you Mr cool and clever,
>The love in my heart falls as light as a feather.
Your face
reminds me of a pictured painting,

>Together, we could never be dating.<p>

Maggie: I like Luke, a lot. But I can't be with him because I can't do that to Leia.

But it doesn't matter at all,
>Mr Clever and Cool,
My incredible friend,
>It means our friendship lasts to the end.<p>

Maggie: And plus I don't think he even feels the same way. I happen to know that Luke tries to stay away from dating as he's concentrating on his music. I respect that.

Roses are red,
>But they can also be white too,
I like singing solo,
>But not as much as I love singing with you!<p>

Maggie: But that doesn't stop how I feel. I wish it did but it doesn't. Even though he doesn't feel the same way I can't help but like him.

Oh Mr Cool and Clever,

Liking you is a dilemma.
>Your smile lights this whole town.<p>

And it always manages to turn my frown upside down.

_Maggie: I've said this over again, I just want this to be simple. Me to stop liking Luke. Leia can be happy stalking him and my friendships to be intact. _

Your cute glowing face,
>Your great open heart,<p>

When I see you I simply fall a part.

_Maggie: Why do I feel like this? It's a huge dilemma that's eating me up inside. _

But I can't put it into words.

That's why I'm singing this song.

Because I've gotta tell you I like you but I can't 'cuz it's so wrong!

_Maggie: Leia's my friend, I might not be hers but she's mine. I can't hurt her. _

I'm saying goodbye right now,

Me singing is howâ€¦|

Mr clever and cool

Remember I like you, that's all.

_Maggie: Goodbye Luke Feelings. _

17. Chapter 17: The Band's Mad At Luke

_Luke: I hope the guys aren't too upset with me. After I asked Leia to help me out I bought a juice and for some reason it took me too long to drink as it was condensed. _

Luke walked into the stage room. James, John and Theo were sitting on the floor, there legs stretched out. They looked extremely annoyed.

"Ah, there he is! Solved all you girl drama?" asked James, sarcastically.

_Luke: Girl drama? Oh, Maggie. _

"Kind of, I got Leia to help me out." Said Luke.

"Oh, the other one." Said James, sarcastically.

_Luke: Other one? I have no idea what James is talking about right now.__

"Shouldn't we practice." Said Luke. James, Theo and John looked at each other.

"_We _have already practiced." Said Theo. They got up and were heading to the exit.

"We'll be singing a song we've already sung before as we haven't had time to practice a new one." Said John, annoyed.

"Which one?" asked Luke, as the boys walked past him; he turned to look at them.

"Lost and Found." Said Theo.

"If you have the time to memorize that one it will be great." Said James.

"What's your problem?" asked Luke.

_James: My problem is I could've been doing other stuff in the hour we were waiting on Luke.__

"I could've gone on a date with Riley." Said James.

"But she's working at The Next Step now." Said Luke, confused.

_James: That's were your wrong lover boy! Miss Kate came back to see everyone and she agreed to take care of the studio today. I was going to spend the day with Riley but I had to cancel due to band practice. She spent the time with Michelle instead as Miss Kate agreed for her to also take the day off.__

"No she's not, she's around town with Michelle." Said James.

"I could've also used Michelle's day off to finally have a date with her too." Said John.

Theo sighed.

"I'm just recovering from that bad juice." Said Theo.

"I'm sorry guys." Said Luke.

"Yeah, well. You can make it up to us later." Said James. The three miffed boys left the room.

_Luke: I actually can as Leia is running the errand and I can perform my heart out later. Then the boys won't be mad anymore!
Right?_

18. Chapter 18: Leia's Run In With An Uncle

Leia walked on the sidewalk. She stopped and looked at a building. She looked at the piece of paper.

"Correct address." She said to herself.

Leia: I'm at the address that Luke gave me. Now I just have to complete the job.

Leia walks in the building. She see's the receptionist and walks up to her.

"Hi I'm from Lost and Found Music Studios, I'm here to run an errand." Said Leia.

The lady nodded.

"Yes the music manager is expecting you." Said the receptionist.

Leia was then lead to an office by the lady. The lady left as Leia knocked on the door.

"Come in." said a male voice. Leia walked in, her eyes looked surprised.

Leia: Now I understand why Luke needed Maggie's help.

The man in the office was in fact Maggie's uncle who was also a music manager. Leia remembered him from when he came to Lost and Found that technically was when all the trouble with herself, Luke, The Band and Maggie started.

Maggie's Uncle looked at the paper work.

"I thought Luke was a boys name." said Maggie's Uncle.

"It is." Said Leia.

Leia: Boy, it is!

"Then you don't look like a Luke." Said Maggie's Uncle.

"Yeah, I'm not. I'm Leia, remember?" said Leia.

"I don't remember meeting a Leia." Said Maggie's Uncle.

Leia: Rude!

"Anyways, Luke sent me to run the errand in his place." Said Leia.

"He can't do that." Said Maggie's Uncle.

Leia: What?

"What?" asked Leia.

"He can't do that, the paper work that Parker faxed has already got Luke written on it, meaning it can't be signed by anybody else." Said Maggie's Uncle.

Leia: That's what the errand was, paperwork!

"Oh, well Luke was trying to find your niece. So she could come here instead butâ€¦"

"If Maggie came here I might of allowed it." Said Maggie's Uncle.

Leia: Is that even legal?

"But not me." Said Leia.

"No." said Maggie's Uncle.

"Why not?" asked Leia.

"Because you stole Maggie's spotlight in that band of yours." Said Maggie's Uncle.

Leia: Say what now? Maggie's Uncle has a personal vendetta against me?

"Actually! I am the lead in our band! Maggie informed you wrong! In fact the mistake of her opening for _Magenta City _got her kicked out of her band!" exclaimed Leia.

Maggie's Uncle's temple pulsed. His forehead began to sweat.

"YOU KICKED OUT MY NIECE FROM HER OWN BAND!" boomed Maggie's Uncle.

Leia gulped.

The next thing she knew she was being kicked out of the building.

"Rude!" she said, before walking of.

Leia: Now I know where Maggie gets her charm from.

Maggie walked into Java Junction. She was incredibly thirsty due to the fact that she had been avoiding Luke all day and her previous confessions in the form of songs.

_Maggie: I can't tell you how thirsty I am! _

Maggie was walking towards the counter when she saw Luke. She froze.

Luke: The boys are mad at me and I narrowly escaped double booking so now all I need is another juice, even though today they seem to taste funny.

Luke was walking to the counter when he saw Maggie. He stopped and looked at her. She looked back.

Luke: There's Maggie!

Maggie: I might of excepted that I mustn't be with Luke but that doesn't stop the fact that if Leia walks in she'll be mad at me.

Maggie turns around and walks back the way she came. Luke frowned.

Luke: Wait? Is Maggie avoiding me?

Annabelle and Rachel are in the stage room, singing.

Annabelle: Right now, Rachel and I are practicing Desirable for later.

Rachel: I cannot wait. We checked it out with Mr T and he said yes.

Suddenly, James, John and Theo walk into the stage room.

James: Me and the boys walk in to set up and immediately I hear this great song!

_John: Wow, Rachel and Annabelle's song sounds amazing! _

Theo: They rock!

Rachel: It's kind of intimidating have the boys band listen to our song, but we are professional artists so I hope they like it.

Annabelle: A wave of nerves just hit me.

"Yeah baby you're desirable!" sang Rachel, finishing the song.

James, John and Theo clapped. Rachel and Annabelle smiled before taking a bow.

"That was great." Said John.

"Thanks." Said Annabelle.

"Are you performing it later?" asked James.

"Yeah." Said Rachel.

"Did Leia right it?" asked Theo. Rachel and Annabelle looked at each other.

"No actually, we wrote it ourselves." Said Rachel.

"Damn!" said James. Rachel and Annabelle laughed.

"Do you need an extra set of hands setting up?" offered Annabelle.

"Nah, we're good. But thanks for offering." Said James.

"Your welcome, see you later?" said Annabelle.

"Yep." Said Theo. Annabelle and Rachel walk into the corridor.

Rachel: It's great to know that the boys like our song. And that they think it's at Leia level.

20. Chapter 20: Luke's Dilemma Returns

Luke is sitting in Java Junction. He's sipping the thick substance which was supposed to be peach juice.

Luke: Seriously, soup would never be this condensed. This juice consistency is basically jello.

Luke sighs annoyed.

Luke: The real problem in my mind is the boys being and angry and the real dilemma. Why is Maggie avoiding me?

Suddenly, Leia walks in. Luke's eyes widen.

Luke: Leia shouldn't be back this early! The paperwork should be piles high.

"Oh no! What happened!" said Luke, as Leia sits opposite him.

"Maggie's Uncle wouldn't let fill out the paperwork, it was meant to be filled in by you." Said Leia.

Leia: Or Maggie.

"But I've gotâ€¦" Luke looks at the Junction clock.

Luke: I've got 2 hours before the performance. I can fill in the paperwork by then? Can't I?

"Ok, I'll go. Thanks anyway Leia." Said Luke, before running out the door.

"Your welcome." Said Leia.

Luke ran down the street and around the corner towards the bands van 'The Mutt Cracker'.

Luke: If I don't make it to the performance, the band is going to be really mad at me.

Britney walks into Java Junction. She notices Leia and rushes over to her.

Leia: That' s all I need! First I couldn't help Luke. Now Britney.

"What do you want Britney?" asked Leia.

Britney: I feel bad for manipulating Clara. Also I feel bad because Leia hates me even more.

"I wanted to apologise about before." Said Britney.

"It's not me you should be apologising too." Said Leia.

"You talked to Clara?" said Britney.

"Of Course I did!" said Leia.

Britney: Uh Oh!

"Does she hate me?" asked Britney.

"With all the things she was feeling I doubt she had room for hate." Said Leia.

"Was feeling?" asked Britney.

"Yeah, I convinced her to stay. No thanks to you." Said Leia.

Britney: I don't care about that anymore. It's obviously not my year. All I want now is to apologise to Clara.

21. Chapter 21: Britney Apologies

Two hours later the stage room is packed with members of the public and even some lost and found members.

All the artists who were going to show the public what Lost and Found was all about were waiting in Java Junction which was now empty as everyone was in the stage room.

James, John and Theo were three of the artists waiting and also Rachel and Annabelle were waiting too.

Everything was going well for Rachel and Annabelle as they were already and raring to go, the same couldn't be said for the boys.

"Where is he?" exclaimed James.

James: I don't believe it! We're on soon and Luke isn't here!

"I don't know." Croaked John. Annabelle and Rachel heard and went to talk to the band.

"What's up with your voice?" asked Rachel, shocked.

"I knew there was something wrong with those juices!" gasped Theo.

James: To top things off the band's other two backing singers who would've been Luke's under study if he doesn't show up at all have got sore throats due to the condensed juices they've sold here today. I even think I'm coming down with a sore throat too. Thankfully I'm not a singer.

Rachel's eyes widened. She looked at Annabelle.

"You haven't had any juices today, have you?" asked Rachel.

"No. Have you?" asked Annabelle. Rachel sighed in relief.

"No." replied Rachel.

"Lucky you." Croaked John.

Theo: Luckily, we can still deliver a great performance without backing singers but we still need a lead singer! Ours hasn't turned up yet!

"Luke has been really spaced out today." Said John

"Yeah, no kidding." Said James.

_John: It's really not like him. _

In the stage room everyone was chatting, eager to see each performance. Mr T was looking for Jude. When he saw him he went to talk to him.

"Hello Jude." Said Mr T. Jude looked at Mr T.

"Oh Hey Mr T, Sup?" he asked.

"What's up is when Annabelle and Rachel came to me to ask if they could perform there song I said yes after they told me some very interesting information. Apparently you helped record their song in your recording session is that true?" asked Mr T.

Jude: Uh Oh, Busted.

"Yes, Mr T that is true. Because I felt bad about turning up late so I said they could use some of my session time." Said Jude.

"Next time don't lie, it would have been better if you told me there and then. I don't like being lied too." Said Mr T.

"Okay, sorry Mr T." said Jude.

"That's okay, just don't do it again." Said Mr T.

"I won't." said Jude.

Jude: I swear, Mr T knows everything!

Eva and Clara are in the stage room by the front, waiting like everyone else.

Clara: After my talk with Leia I found Eva and we got talking. She is my friend I was just so upset before that I didn't see it. Anyways we are both looking forward to the performances.

"Who are you most looking forward to seeing?" asked Eva.

"Probably Rachel and Annabelle, apparently they wrote a song." Said Clara.

"Without Leia?" asked Eva.

"Yep." Said Clara.

"Cool." Said Eva.

Suddenly, Britney walks towards them. She looks at Clara. When Clara notices Britney her face frowns.

"What do you want?" said Clara, rudely.

"I get that you're mad butâ€¦"

"Mad! You pretended to be my friend just so you can take my spot!" said Clara. Eva looked shocked.

"I know and I'm sorry." Said Britney.

"Whatever." Said Clara. Britney sighed before walking away.

Britney: I tried.

22. Chapter 22: Break A Leg!

Maggie walked into Java Junction from the stage room. She saw Rachel and Annabelle and walked towards them.

"Hey guys! I just wanted to wish you luck." Said Maggie.

Rachel and Annabelle smiled.

"Thank you." Said Rachel. The three hugged just as Leia came in.

"There you guys are! I had no idea you guys wrote a song!" she said to them. Annabelle and Rachel looked at each other.

Leia: They wrote a song without telling me!

_Rachel: We didn't know what her response would be so we didn't tell

her._

Leia's serious face cracked into a grin. The girls breathed out in relief. Leia hugged them.

"I can't wait to hear it." Said Leia.

Leia: Honestly, I'm a little hurt that they didn't tell me but at the same I'm happy for them.

Leia looked at Maggie. She suddenly hugged her.

"Hey Maggie." Said Leia.

Maggie: This is new.

Leia: I know for a fact that Maggie spent most of her time avoiding Luke and I'm happy because of that.

"Hey Leia." Said Maggie.

"So are you guys staying to see all the performances?" asked Rachel.

"Yeah." Said Maggie.

"No actually I have only got time to see yours. As my grandma is here in town to see me." Said Leia.

"That's great." Said Annabelle.

Leia: I wish I could stay to see Luke perform but Nana calls so I can only see Annabelle and Rachel.

"Anyway it's about to start are you guys first?" asked Leia.

Annabelle and Rachel nodded.

"See you there! Maggie you coming?" asked Leia.

"In a minute." Said Maggie. Leia walked out of the Java Junction.

"Maggie?" asked Rachel. Maggie looked behind them and pointed.

"What's going on over there?" asked Maggie.

Rachel and Annabelle looked behind them and saw James awkwardly patting John as he exhaled massively.

"Oh, John's hyperventilating." Said Rachel, casually. Maggie looked surprised.

"Why?" she asked.

"Because Luke hasn't turned up yet." Said Rachel.

"Em Okay, why are you so casual right now?" asked Maggie.

Maggie: Seriously, I've never seen Luke bail on the guys, well apart from earlier but other than that he's on time. If he's not here something must be up.

"Calm down Maggie, Luke and the boys are performing last, closing the show so there is no need to worry. He'll be here by then." Said Rachel.

"Okay, then. I'm going to go stand with Leia. Break a leg." Said Maggie, before walking off.

"I hope not." Said Annabelle.

"It means good luck." Said Rachel.

"Oh, well then I hope every one here breaks there legs!" said Annabelle.

Rachel rolled her eyes.

23. Chapter 23: Poor Luke!

Luke is in Maggie's uncle's office signing paperwork, alone. He looks extremely bored.

_Luke: Never have I seen so much paper work! It's taken me like two hours! _

Just as he signed the last page Maggie's Uncle came back into his office.

"Done?" he asked.

"Done." Said Luke.

Luke: YES! I am Victorious!

"Great." Said Maggie's Uncle.

"Can I go now." Said Luke, already getting up.

"Hold your horses, I need you to sign one more bit." Said Maggie's Uncle. He showed Luke a single sheet. Luke signed it with his signature.

"Now you can go." Said Maggie's uncle.

Luke: I swear, right now I want to kill Parker! I know she's second in command and all but honestly! That was too much!

Luke looked at the stairs and then the elevator.

Luke: Elevator's quicker.

Luke got into the elevator and clicked ground floor. The doors shut and he listened to the Elevator's music. Just as the elevator was descending suddenly the lights went off and the elevator stopped moving. Luke looked around in confusion.

_Luke: NO! The Elevator's stopped! _

He reached for the alarm button when he realized the elevator didn't have an alarm button.

Luke: What elevator wouldn't have an alarm button?

Luke hurriedly got his mobile out from his pocket. He was scrolling down his contact list and was about to click on John when he noticed his phone had no bars.

Luke: No bars! Are you kidding me?!

"I'm stuck." He said, to himself.

24. Chapter 24: Maggie's Realisation

Leia and Maggie were standing by the front of the stage. The crowd was extremely eager to see what Lost and Found was all about.

Leia coughed. Maggie looked at her.

"Leia? Are you okay?" asked Maggie.

"Yeah, it's just the juices the junction have been selling the past few days have been really thick and have been causing some throat issues with some people. I had one today before Luke asked me to help him out." Said Leia, croakily.

Maggie: Oh. Wait?! What?

"What did he ask for help with?" asked Maggie.

"An errand. Actually, your uncle works at the building that I went to." Said Leia.

Maggie: My uncle?

"Oh, Okay. Leia I'm just going to ask Annabelle something, save my spot?" said Maggie.

"Sure." Coughed Leia.

Leia: I swear I'm going to sue java junction.

Maggie walked into Java Junction and walked towards the band. The guys band.

Maggie: I know I shouldn't have lied to Leia. But if I told her I was going to talk to the guys band she'd probably get suspicious.

"Hey guys? When was the last time you saw Luke?" asked Maggie.

"Actually it was just after he went looking for you. We were annoyed because he missed practice looking for you." Said James.

"Oh." Said Maggie, confused.

_Maggie: I think I get it. He had to go do the errand because knowing my uncle he's super specific about things. He was looking for me all day because he knew I could help but instead obviously Leia offered to help and now he's not back here. He's late because he went to do a job that I could've done. But because I've been avoiding him he couldn't find me. Oh boy, it's all my fault. _

"Eek!" squealed Annabelle. Maggie turned to her.

"What's wrong?" asked Maggie, concerned.

"I've just heard that Rachel and I are opening!" she exclaimed. Maggie contemplated this new factor.

Maggie: I have to solve this mess, luckily I have a plan.

25. Chapter 25: Band Crushes & Jiley!

Leia squealed as Annabelle and Rachel stepped onto the stage. She looked around but noticed Maggie wasn't back yet, she shrugged.

Leia: I swear she said she was going to talk to Annabelle. Oh well. I can't wait to hear their song!

"Hello everyone! I'm Rachel and this Annabelle and we're going to be opening for this Lost and Found Live Stage Performance!" said Rachel, into the microphone.

The crowd cheered and clapped.

"Don't worry guys, I have a plan of action." Said Maggie.

James raised an eyebrow as John and Theo looked at each other.

Suddenly, Riley, Michelle and Giselle walked into Java Junction.

Riley: Long story short, Michelle and I were going to spend the night out in the town as well but I wanted to see my boyfriend and her almost boyfriend perform. We bumped into Giselle on the way here.

Giselle: I can't wait to see all the artists and bands perform! Lost and Found rocks!

James notices Riley and smiles, he walks towards her.

James: The one person who can actually make me feel happy right now just showed up.

John looked and saw Michelle. He blushed and waved sheepishly.

Michelle: Seeing John gives me butterflies.

John: It feels like butterflies are fluttering in my stomach when Michelle turns up.

Giselle and Theo notice the others. Theo rolls his eyes, Giselle laughs.

Maggie notices the couples and also rolls her eyes before walking into the stage room.

Maggie: Looks like I'll have to tell them my plan later.

"Sorry I couldn't spend your day off with you." Said James. Riley smiles.

"Don't even worry about it." Said Riley, mimicking his voice. James rolls his eyes.

"Did you have a good time?" asked James.

"Would've been better if you were there." Said Riley.

"How can I make it up to you." Said James

"Just deliver your best performance." Said Riley, smiling.

"Okay." Said James. Riley smirks.

"Oh and one more thing." She says.

"What?" asks James, curiously.

"Bake me a cake, chocolate and in calligraphy 'Best Girlfriend Eva' no r." said Riley. James laughed.

James: Typical of Riley to remember that, but I remember that cake it was amazing.

"Okay deal." Said James.

26. Chapter 26: Jeva & Leia Helps Maggie

Annabelle and Rachel were now singing _Desirable _on the stage. The crowd were cheering and clapping to the music.

"These words about you are lyrical,

Ultimately because you are desirable." Sang Rachel, smiling.

"Oh Oh, yes you are ah ah." Sang Annabelle, smiling at Rachel.

Rachel: The crowd is loving us!

Annabelle: I can't believe this! We're opening and the crowd is cheering like crazy!

Leia is clapping and Maggie is cheering. Maggie looks at Leia.

Maggie: I know it's noisy but Leia is a big part of my plan.

"Hey Leia?" said Maggie. Leia frowned.

"What did you say?" yelled Leia.

Leia: I'm right next to Maggie but I can't hear a word that she's saying.

"I said hey." Yelled Maggie.

"Oh, hey." Yelled Leia, back.

"No I meant I need to tell you something." Yelled Maggie.

"Better to yell me something! Ok what's up?" asked Leia.

"Oh Oh Oh." Sang Annabelle.

"Yeah baby you're desirable." Sang Rachel. The crowd cheered as the two girls hugged each other.

"What were you saying Maggie?" asked Leia.

"You're going now right?" asked Maggie.

"Yeah, to see my grandma." Said Leia, she coughed.

Leia: Stupid juice.

"Do you think you'll be able to stop of at that building you went to earlier?" asked Maggie.

"Why?" asked Leia.

"I have a funny feeling that my uncle's keeping Luke hostage." Said Maggie.

Maggie: Yep, my uncle would do that.

Leia: Maggie wants me to save Luke? Yes please!

"Okay." Grinned Leia.

"Text me when he's on his way, so I can let the band know to breath." Said Maggie.

"Okay sure." Said Leia.

Annabelle and Rachel ran of the stage to the girls. Leia was to busy smiling at Maggie.

Leia: I genuinely think Maggie is committed to this friendship and band-ship.

"Hey guys, How'd we do?" asked Rachel.

"You were amazing." Said Maggie.

"You were great but I've gotta go now to save Luke." Said Leia,

running off.

Rachel and Annabelle looked puzzled.

"Long story." Said Maggie.

Maggie: I just hope Leia can get there in time.

Jude is clapping with the crowd. Even though nobody was currently performing. Suddenly, Eva came out of the crowd and stood next to Jude.

Eva: This performance is awesome! And obviously I want to spend it with Jude. He makes everything ten times better.

Jude: I see Eva and I can't help but smile, we've been spending a lot of time with each other recently.

"Hey Eva." Said Jude. Eva smiled

"Hey Jude." She said.

"So how are you liking the performance so far?" asked Jude.

"Good. You?" she asked.

"Great. I can't wait to see what other artists will sing." Said Jude.

Eva smiled to which Jude smiled back.

27. Chapter 27: Leia Comes To Luke's Rescue!

Leia is running into the building and past the receptionist who is too busy snacking on what looks like nachos to notice the girl who got kicked out earlier.

Leia: I have to find Luke! Which floor was it again?

She pressed the elevator button and was confused when no lights were flashing.

Leia: Looks like I'll have to take the stairs.

Suddenly, Leia barged into Maggie's Uncle's office. He was too snacking, but on doughnuts.

"What the!" he boomed.

Leia: Truthfully, this guy scares me but I must find Luke.

"I know you've got Luke here! Where is he!" demanded Leia.

"That boy left ages ago!" replied Maggie's Uncle.

Leia: What?

"That can't be true because he's late." Said Leia.

"For what? A date with you? Can't imagine why." Said Maggie's uncle, gorging on doughnuts.

Leia's mouth widened.

Leia: Rude!

"If you're keeping him hereâ€¦" she said.

"Keeping him here? What are you insinuating?" asked Maggie's Uncle.

"Not me! Maggie! She had a funny feeling that you are keeping him hostage!" said Leia.

Leia: That's right! I pulled the niece card!

"Maggie?" asked Maggie's Uncle.

"Yep, she thinks it and I think it. And after all your just a man wolfing down slimy doughnuts!" exclaimed Leia.

Maggie's Uncle's temple pulsed and his brow began to sweat.

Leia: Uh oh.

"DON'T DIS DOUGHNUTS!" boomed Maggie's Uncle.

The next thing she knew he was pushing Leia out into the corridor.

Leia: This feels like DÃ©jÃ vu.

"How dare you! You insolent girl!" yelled Maggie's Uncle, dragging her past the elevator.

Luke was sitting on the floor of the elevator.

Luke: It feels like I've been here for days! I wonder if when the band find my bones they'll finally forgive me!

Suddenly, he heard a man yelling. Then he heardâ€¦.

"I have to find Luke!" said Leia, yelling back.

_Luke: Leia! _

"Leia! I'm in here! HELP!" he yelled.

Maggie's Uncle and Leia heard his voice in the hallway. Leia's eyes widened and she ran to the elevator door, pressing her face against the door.

"Luke? Is that you?" she said.

Leia: How come nobody noticed the elevator was stuck?

"YES! I'm stuck! Help me out!" said Luke.

Luke: Finally somebody has come to help me out!

28. Chapter 28: Mega Dilemma & Plan B

"Where is he?" croaked John. Maggie was with the boys.

"I'm not sure. I'm sure he'll be here any minute." Said Maggie.

Suddenly, Maggie's phone buzzed she looked at it. It was from Leia.

Leia-He was stuck in an elevator, maintenance is getting him out.

Maggie: Poor Luke!

"Look! He just got stuck in an elevator, he'll be here soon." Said Maggie, showing the band her phone.

_James: Really Luke? Stuck in an elevator? That's like the guys equivalent to I'm washing my hair. _

"Yeah sure he is." Said James. Maggie rolled her eyes.

Luke climbed through the elevator door that Maintenance was holding open.

"We'll get the elevator up and running in no time." Said The Maintenance man to Maggie's Uncle.

_Luke: No way! That place is a death trap! _

"Ok thank you." Said Maggie's Uncle.

"You okay?" asked Leia.

"I'm okay." He said, coughing.

_Luke: Now I just have to rush to the performance. _

"Wait? Did you have any of the juice from the Junction?" asked Leia.

"Yeah, why?" asked Luke.

Leia: Uh oh.

Maggie was with the band when she got her second text. Her eyes widened due to the good news and the bad news.

"Um, guys? What would you like to hear first the good news? Or the bad news?" asked Maggie.

John, Theo and James looked at each other.

"The good news." They said, in unison.

"Well Luke is on his way, but the bad news is he had two doses of the juice today." Said Maggie.

James: What!

"No! But he was our last shot!" said Theo.

"Doesn't matter anyway, we're on next so he wouldn't of made it in time anyway." Said James.

Maggie: What do I do? I do remember seeing him in here earlier before I made a hasty exit so he has had some of the juice andâ€¦.wait.

"What song are you guys singing?" asked Maggie.

John, James and Theo looked at each other.

"Up next is The band!" said Mr T into the microphone. The crowd cheered.

As John and James and Theo went on stage they got all their instruments set up.

John: Maggie's plan will work and it's a great plan B, I just hope Luke won't mind.

Theo: I can breath again! But my throat still hurts!

James: Thank god someone has a plan.

The boys looked at each other as Maggie stepped up on stage. Mr T looked confused.

Maggie: Luckily I know the song as it's the signature song of this music studio. And I haven't had a juice all day because I've been avoiding Luke. I just really hope Luke won't mind that I'm taking his spot.

"Hello everybody, unfortunately Luke couldn't be here so instead I'll be singing, I'm Maggie and this is Lost and Found." Said Maggie, into the microphone.

29. Chapter 29: Lost and Found ft Maggie

Leia is on the bus on her way to her house.

_Leia: After all that drama I can't wait to see my grandma. _

Luke is racing the mutt cracker to Lost and Found Music Studios.

Luke: I just hope I get there on time, otherwise the guys will be clueless on stage.

"To me, who are you?

>Time to be brave
Give me the truth

>The truth will save" sang Maggie.<p>

Luke swerved around a corner and his foot pressed down on the acceleration.

"I know that it's hard
>But look me in the eye
You'll see yourself
>You know you gotta try" sang Maggie.<p>

Annabelle and Rachel clapped to the beat of the music, so did everyone in the audience. Even Mr T. Luke parked his car outside the studio and ran inside.

"This could be the start of something (this could be the start of)

>This could be the start of something (this could be the start of)
This could be" sang Maggie.

Luke ran into the stage room and saw his band and Maggie.

"We are the lost and the found
>We don't know where we stand, but it's on the ground
It's our shot to see what you got
>Only a true light shines as bright as you" sang Maggie. <p>

Maggie notices Luke and frowns, but carries on singing.

Maggie: Luke is here! I hope he's not mad!

Luke: There's Maggie!

"You cannot hide the beautiful lie
>The truth you're fighting on
Don't be afraid
>The darkness fades
Your light is shining on-" sang Maggie

John, James and Theo notice Luke. Who is watching. His emotion looks neutral, it unsettles them and Maggie. Then suddenly he cracks a grin which makes them breath and relief and ultimately makes Maggie smile.

_Luke: I'm just glad they had a plan B. _

"-We are the lost and the found
>We don't know where we stand, but it's on the ground
It's our shot to see what you got
>Only a true light shines as bright as you" sang Maggie, looking at Luke.<p>

Maggie: I'm glad that Luke's not mad I guess it all payed off.

30. Chapter 30: Band Problems

****IMPORTANT: My Wattpad Account is Storyteller437 and I will be posting some of my fanfiction stories on their amongst stories I wrote myself so check it out! Enjoy the chapter and don't forget to Review! ****

Leia was still on the bus.

_Leia: Yep that's right! I'm still on the bus. But not on the journey there. I went to my house and my mum said that Grandma was actually coming tomorrow so I'm going back to Lost and Found to see the

remainder of the performances. I hope the action's not over!_

The crowd was clearing out as the performances were over. Mr T gave Maggie a thumbs up.

_Mr T: At least they were organized. So I don't care who actually sang the song. _

Annabelle and Rachel were two of the few people who were still there they jumped on to the stage to hug Maggie. The band was currently packing up.

"That was amazing Maggie!" said Annabelle.

"I wish Leia was here too to see how great you were up there!" said Rachel.

"Thanks." Said Maggie.

Annabelle and Rachel then left to let the band and Maggie pack up.

"Guys, I'm sorry." Said Luke.

John: He may be my best friend but right now I couldn't be more annoyed at him.

Theo: He could of told us he had somewhere else to be so we could figure it out together.

James: Instead he spent the whole day MIA.

"Just save it." Said John. Luke mouth closed before he was about to speak.

Luke: They seem really annoyed; I have to make it up to them.

"If it wasn't for Maggie and her last minute plan we would have been stuck on the stage like lemons." Said James.

James: Which is uncool. Which is not me!

The band walked past Luke with all their equipment and were heading for the door.

"Thanks Maggie." Said James.

"Yeah, thanks." Said John. Theo bowed strangely to her.

"Thank you, lifesaver." He said, before walking out with John and James.

Maggie: It can't get stranger than that.

31. Chapter 31: An Unexpected Conversation?

I'm a Maggie and Luke Fan ** and after seeing the teaser trailer I just thought hey what the hell, lets make it happen! **** ALSO TO THE GUEST WHO COMMENTS ABOUT #LUGGIE! I LOVE YOUR ENTHUSIASM! I SHIP

THEM TOO!**

The room was silent apart from Luke standing awkwardly after being yelled at by the band and Maggie who was disassembling the microphone.

Maggie: Seriously, if it wasn't for the fact that I still need to pack up I'd be out of here. Because right now this feels really uncomfortable.

Luke: I have to thank Maggie for all she's done today, but for some reason another thought crosses my mind.

"Why have you been avoiding me today?" asked Luke. Maggie's fingers froze on the mic stand. She turned around to look at Luke just standing there a distance away.

Luke walked towards her. His face completely neutral again.

"Avoiding you? I haven't been avoiding you." Said Maggie.

"You have. Any other day I wouldn't have noticed but today when I was actually looking for you I couldn't find you anywhere." Said Luke.

"You must have been in the wrong places, that's all." Said Maggie, again fiddling with the mic stand.

_Maggie: Why can't this stupid Mic stand move! I said goodbye to my Luke feelings in my song. But that doesn't stop this from being a really uncomfortable situation. _

Luke sighed, he continued walking towards her. Until he was right behind her. She froze as he put his hand over her shoulder and grabbed the mic stand. He was right behind her as she turned to face him. He was but only centimetres away.

She looked at him, frozen. His breath tickled her face as he exhaled softly.

"I wasn't in the wrong places." He whispered.

_Maggie: Bloody hell. _

"You must have been." She said, before grabbing the mic stand rapidly and distancing herself from Luke.

Maggie: I will not be wavered by his attraction.

Maggie finally managed to make the mic stand shrink so it could be packed up.

Maggie: Thank goodness. Now I can leave.

_Luke: Maggie is really resistant to telling the truth. _

"Maggie, just give it up! I know you were avoiding me! Just tell me the truth!" he said.

She headed for the door. He ran to it before she could get there, he stood in her way.

Maggie: I have a funny feeling that he won't let me leave unless I tell him.

"Fine! Yes! I was avoiding you! Can I go now?" she asked, she was about to move past him when he stopped her.

"Why?" he asked.

_Maggie: I can't tell Luke about the Luke truce that will totally knock Leia off her game. _

"I don't know I just was." She said.

Luke: I'm just going to make something up in order for Maggie to tell me the real truth.

"I know!" lied Luke. Maggie froze once again.

"You do?" she asked.

"Yep. You convinced your uncle to tell Parker that paperwork had to be filled out by a Lost and Found member. She obviously picked me. You on purpose made the junction sell bad juice so it would give me and the band sore throats so you could sing in my place! While I was stuck in an elevator!" he said.

Maggie's face looked utterly shocked.

Maggie: I can't believe he would actually think I would do something like that! Who does he think I am? Criminal Mastermind!

"How dare you!" shrieked Maggie.

Luke smiled.

Luke: I knew this would make her mad so now she has to tell me.

"I DID YOU A FAVOR! I found out you were running an errand so I made a plan to save you and your band's neck! I sang instead of you because I didn't have any juice due to the fact that I was avoiding you and you think I would do something so horrible, heartless, manipulative-"continued Maggie, yelling.

_Luke: I didn't expect her to yell this much I just thought she'd tell me. _

"RIGHT NOW YOU ARE BEING THE MOST RUDE, ANNOYING AND OBNOXIOUS PERSON THAT I'VE EVERâ€¦". she shrieked.

Luke: I've had enough of her yelling, time to do things the Michelle way.

Luke cut off Maggie's words by grabbing her face with his hands and kissing her. Maggie's hands which were previously waving in the air showing her annoyance were now awkwardly placed on Luke's shoulders.

As they pulled apart a figure could be seen standing in the doorway on the other side of the stage room. It was Leia.

Leia: I genuinely thought that Maggie was my friend and now I see her kissing Luke! Luke who I want to be with so much! How could she do this to me?

A single tear left her eye before she left the room before anyone could see her.

Maggie and Luke look at each other. Luke's hands fall from her face and her hands fall from his shoulders.

_Maggie: What just happened? _

**What's going to happen next? Love Triangle drama ahead! I hope you enjoyed this chapter! Please review! **

32. Chapter 32: Awkward Un-Date Plans

The Following Day, Jude walked into Java Junction. He saw Eva drinking some juice and sat down.

"They fixed the recipe yet?" asked Jude. Eva smirked.

"Yeah, they got so many complaints these past few days that they had to change it. Otherwise _Java Junction _wouldn't of survived the year." Said Eva.

"Yeah, it's weird that they change the name of the cafÃ© every year." Said Jude.

Jude: Steady conversation that's good.

"Yeah it is." Said Eva.

Eva: What do I say next?

"So anyways I've actually got tickets to see Magenta City playing live at a concert near here, tomorrow. Do you want to come with me?" asked Jude.

Eva: Wait, Like a date?

"Like a date?" asked Eva.

Jude: Yeah.

"Yeah." Said Jude. Eva bit her bottom lip.

Eva: I really like Jude and I mean like like him but if my parents found out.

"Erm." Said Eva. Jude noticed to Eva's uncomfortable behavior.

"Or not, it's up to you." Said Jude.

"No no, it's just, I.."

"You don't see me like that?" asked Jude.

"No I do, I mean yeah I do but I told you about things at home andâ€¦"

"You wouldn't feel comfortable going on a date behind your parents back?" asked Jude.

"Yeah, exactly." Said Eva.

Eva: I really want to, but I can't.

"Ok, cool. We could just go as friends." Said Jude.

Eva: Erm.

"Yeah, sure. Okay." Said Eva.

"Cool, I'll see you there? Text you the details?" said Jude, getting up.

Eva: That's right, my parents recently got me a phone! It may be an old nokia but it's still a phone! I've been talking to Jude non stop about it.

"You betcha!" Said Eva, smiling. Jude grinned before walking away.

_Jude: That went well. _

33. Chapter 33: Icy glares & Awkward Stares

In the ball pen many members of Lost and Found were chatting and working. Members such as: Isaac, Clara, Maggie, Rachel, John and James.

Maggie was playing on her guitar, trying so hard to get her mind of yesterday.

Maggie: I'm trying so hard not to think about it. I mean after the thing, the, eh, kiss, happened I just walked straight out of there. I try so hard to stay true to my deal with Leia and then look what happens.

Maggie absent-mindly strummed some chords which turned out to be the familiar chords of her song _Mr. Cool and Clever_, which happened to be about Luke. She stopped playing abruptly. Which earned her a few looks from her fellow studio members.

_Maggie: But I also can't stop thinking about the fact that Luke kissed me. I mean he made the move. I don't know what it means, but I can't help feel that it felt so good. _

Maggie smiled just as Luke walked in. Her smile vanished. Luke wandered over to John and James who stopped him mid-step with their glares.

Luke: They can't still be mad at me.

James: Yep, we're still mad at him.

John: What James said!

Luke was about to turn back when he saw Maggie looking at him with her guitar in hand. It was his turn to freeze. James looked at them both.

"Awkward." He whispered.

_James: Something's going on. Or something's obviously happened.

_

_Luke: I don't know what to do when I see Maggie. I mean she left so suddenly yesterday that we didn't even have time to talk. _

Luke awkwardly scratched his head but remained standing. Maggie kept looking at Luke even though it made her feel incredibly uncomfortable. It was as if her eyes were glued to him.

Rachel noticed them looking at each other. Her eyes widened.

_Rachel: Well this can't be good. _

Luke: I don't know what else to do.

Luke turns around and walks back where he came from, leaving Maggie's stare lingering on his back.

_Luke: So I leave. _

34. Chapter 34: Rachel's Realisation

Later on that day two text messages were sent.

Jude-Details about non-date! MC MultiMusic Concert 23 Toronto Av. 7.00-? C U there! (to Eva)

Michelle-Hey John? About that date? Do you want to see a movie later at 7.00, Imax cinema in town? C u there? Text me if you have plans. Bye! xx (to John)

When both Eva and John received the text messages they couldn't help but jump for joy.

John: I can't wait to go on a date with Michelle!

Eva: Going out with Jude is going to be amazing! Not Going out going out I mean, well you know what I mean!

Rachel walked into the recording studio, she sighed.

_Rachel: Leia said she'd be here. But in actual fact I haven't seen her since yesterday. I hope she's okay. _

Rachel wondered over to the seat in front of the mic. She had to get set up for the song that she and Leia were going to record.

_Rachel: I guess I'll have to record my parts and Leia can record her's later. _

Rachel was about to flick a switch when she pressed a track button by accident.

Rachel: Whoops! Wrong track.

Just as she was about to switch it off Rachel noticed who the track was sung by.

Rachel: I didn't know Maggie could songwrite.

She hummed to the tune until she stopped and noticed the lyrics.

-Together, we could never be dating

-Mr Clever and Cool

-But not as much as I love singing with you!

>-Liking you is a dilemma.
-Your cute glowing face,

>-Because I've gotta tell you I like you but I can't 'cuz it's so wrong!<p>

Rachel: It's about Luke! They could never be dating because Leia is Maggie's friend and he is cool and clever. She sings with him sometimes, liking him is a dilemma because again Leia. All though I hate to admit it his face is cute. And she can't like him because it's wrong to go against friends. After all mates before dates! I haven't seen Leia all day and ehh ohh! In the ball pen, something was off. Something happened.

"I've got to find Leia." Whispered Rachel, to herself, before leaving the room.

35. Chapter 35: The Awkwardness & Truth?

Meanwhile, things couldn't get more awkward when Maggie and Luke have their second encounter.

Maggie is walking down the corridor with her guitar in hand, totally unfocused at walking as she was too busy trying to tune her guitar when walking when out of a joining room comes Luke. Of course as he's carrying something he can't see Maggie and she can't see him so they bump in to each other, cliché right?

"Oh sorry I didn't see you!" she was about to finish her sentence when she noticed who it was she bumped into.

Maggie: Of course it's Luke! Even though I managed to avoid him for a whole day it's still him! The world is against me!

Luke looks up and notices Maggie.

Luke: Obviously it's going to be Maggie I bump into! Even though I spend a whole day looking for her I obviously find her straight away! The universe is against me!

They both get up carrying their stuff and are about to continue in their direction when suddenly Luke sighs and looks at Maggie.

"We should just talk about it!" he exclaimed.

"What's there to talk about? You kissed me!" exclaimed Maggie.

"I was trying to get you to shut up!" he said, loudly.

"After you made up a false lie about me!" said Maggie, also loudly.

"To get you to tell me the truth! Which may I remind you I still don't have!" said Luke.

Luke: It bothers me! I want to know why she spent the day avoiding me!

Maggie sighed. She looked at Luke.

"I'll tell you the truth after you tell me why you kissed me." Said Maggie.

"I told you it was to shut you up!" said Luke.

"If that were true then this wouldn't be awkward right now." Said Maggie.

Luke: What wouldn't be?

"Maggie, I like you, a lot. But I'm not looking for a girlfriend, if that's what you're thinking. I'm too focused on my music." Said Luke. Maggie sighed.

Maggie: At least now I know.

"That wasn't what I was thinking." Lied Maggie.

"Well?" asked Luke.

"Well, I was avoiding you becauseâ€¦" she stopped talking. Luke looked expectedly.

Maggie: I've had enough of the lies.

"If you must know, I was keeping up a deal. A deal that I can't tell you about." Said Maggie.

Luke: That makes no sense. But I won't push any further.

"Can I go?" said Maggie. Luke nodded as she brushed past him.

As she was walking away she couldn't stop the single tear that escaped her eye.

Maggie: A small part of me had hoped, against everything, that he'd kissed me because he likes me like that. But now I know for sure that that isn't true. It's time to move on.

36. Chapter 36: Great Dates & Bad Times

Rachel ran to Leia's house. It was not that far from the studio so it was easy to get too. Rachel knocked on the door. There was no answer.

"Leia! You in there?" yelled Rachel.

Leia was sitting by her living room window, hidden behind the curtains. Her eyes were red from crying as she peered through the glass. She sighed.

Rachel was about to turn away when the door opened, standing there was Leia, looking very upset. And Rachel already knew why.

Hours later it was six thirty and four individuals, not all members of Lost and Found were preparing for their dates and non-dates.

It seemed to be a short journey to each location to which their night was going to happen. Michelle arrived at the Imax cinema and saw to her delight that John was already standing there, cheesily/romantically carrying a single rose. Michelle grinned.

Eva turned up to the address that was sent to her by Jude. She got her phone out as more people went into the venue.

(To Jude)- Where r u?

(To Eva)- Inside. Where r u? ;)

(To Jude)- Outside.

(To Eva)-Ok, wait there I'll meet u out there.

Jude emerged from the door of the Magenta City venue. Eva smiled

"Are you sure they'll let you back in with the same ticket?" asked Eva.

"Of course they will! How could they possibly turn down me?" stated Jude, making Eva laugh.

Just as they reach the entrance a concert bouncer emerges from the door, as mostly everyone was already in the venue. He stops Jude and Eva.

"Sorry, I've already seen you go in." said the bouncer.

"Yeah, now I'm going in again." Said Jude.

"You can't do that." Said the bouncer. Jude and Eva look shocked.

Jude: What sort of weird concert doesn't let you leave?

"Yeah I can!" said Jude, stepping forward. The bouncer pushed him back with his arm.

"No you can't!" said The bouncer.

Eva: What do we do now?

37. Chapter 37: Leia Confesses & Jochelle

Meanwhile, hours after she arrives, Rachel was in Leia's house hugging her best friend on the sofa. Leia was crying into her shoulder as she was reliving every moment of what had happened.

"So I walk in and I see them kissing! I thought Maggie was my friend! How could she do this to me?" wept Leia.

Rachel: Poor Leia, I know I whine about her obsession with Luke but she doesn't deserve this.

"I knew something was going on between them, they were acting so awkward around each other today. Also I told you about the song." Said Rachel.

"The song she wrote about Luke?" said Leia.

"Yeah, I just can't believe she broke the Luke truce." Said Rachel. Leia bit her bottom lip. She sighed.

Leia: I have to tell her.

"Rachel, I'm going to tell you something, but please don't be mad at me." Said Leia.

"What?" asked Rachel.

"I, erm. When Maggie came back into the band it was only because of a deal I made with her." Said Leia.

"What deal?" asked Rachel. Leia sighed.

"I erm said that she still had to obey the Luke Truce but I didn't." said Leia. Rachel moved away from her.

Rachel: What!

"Leia!" said Rachel.

"I'm sorry okay." Said Leia.

"I understand that she disobeyed you but really? It's not fair that it didn't apply to you! Also you didn't tell me and Annabelle!" said Rachel.

"Ah, but neither did Maggie." Said Leia.

"Because she probably didn't want to get you in trouble." Said Rachel.

"Yeah well." Said Leia.

"Well, I think we should call a band meeting. Right now, here." Said Rachel.

"Why?" asked Leia, wiping her tears.

"Because I have a feeling that we don't have the whole story."

Michelle and John took their seats at the chosen movie. They had made sure to get a great vat of popcorn as they were both peckish. They were seeing a Action/Romance so they'd both like it.

"I've been wanting to see this movie for ages!" said Michelle. John smiled.

"Me too." He said. Michelle put his hand on his.

"I'm really glad I'm here with you." Said Michelle.

"Me too." Said John, Michelle smiled.

_Michelle: I can't wait for the movie and the date to start. _

38. Chapter 38: Needs Improving & Eva's Rap

Luke walked into the junction. It was empty. He had expected that as everyone had gone home, but he still had a session with Mr T. It wasn't the usual recording session it was the Assessing Session where Mr T expresses to the individual what he thinks they could do to become a better artist. Luke enjoyed going to these sessions in particular because usually Mr T that he was on a straight path to star dom. So it was just one more step to his big bold future.

As Luke walked into the recording studio he saw Mr T already there.

"Great Luke, we have loads to talk about." Said Mr T.

Luke: We do?

Jude and Eva were out walking silently on the sidewalk as they hadn't managed to get back in the concert. Eva sighed.

Eva: Well this went well.

Jude: I don't know what to do, usually I'm quick with ideas but now, I've got nothing!

"Don't worry about it Jude! I mean who cares about Magenta City?" stated Eva.

"You do." Said Jude.

Eva: He's right.

"Yeah, well we could just hang out and€" he said.

"Do what?" he said.

"I don't know, put on your usual charisma and we'll have fun!" said Eva.

"I am being charismatic." Said Jude, miserable. Eva raised an eyebrow.

"In a brody miserable way." He said. She bit her bottom lip before they both started laughing.

"Sorry it's just I was really looking forward to seeing them." Said Jude.

"Me too, but what can we do? We could stop moping and have a good time anyway!" said Eva. Jude grinned.

"I know." He said.

"A rap?" asked Eva. Jude smiled.

"Yep.

"I bet I could create a great rap!" said Eva. Jude stopped walking, he raised

an eyebrow.

"Really? Okay let's here it!" said Jude, crossing his arm. Eva blushed.

May I have your attention please?

>I'm not afraid (I'm not afraid)
To take a stand (to take a stand)

>Everybody (everybody)
Come take my heart (come take my heart)

>We'll walk through Canada together, through the storm
Whatever weather, cold or warm

And I am, shy

>If I wasn't, then why would I say I am?
In The Junction everyday I am

>Listening to the Radio won't play my jam
'Cause I am, shy

>If I wasn't, then why would I say I am?
In the Studio, everyday I am.

>I don't know it's just the way I am<p>

You better rap

>You own it, you better never let it go
You only get one shot, do not miss your chance, yo!

>This opportunity comes once in a lifetime
You better rap!

>You own it, never let it go I'll pay you a dime
To rap, as you only get one shot

>And rapping is one of the only thing's you've got! <p>

Here I go! Up the stardom road

Totally set on ambition mode.

'Cuz I will be the one to inspire

And not just joining some old singing choir.

I may be quiet. I may be shy.

But I am definitely fresh and fly!

Jude's eyes were wide as Eva took a bow. He put his hand to his mouth. Eva grinned.

"Got nothing to say?" she said. Jude was speechless until he let out a huge laugh.

"That was sick!" he said, giving Eva a hug. She laughed. He pulled away.

"I didn't know you could rap like that!" said Jude. Eva bit her lip.

"Yeah, well. There's a lot you don't know about me." Said Eva. Jude grinned.

"Wait! How long have you been cooking that one up?" asked Jude.

"Honestly, I just came up with it." Said Eva.

"Emm Hmmm, Really!" said Jude.

"Really! Your just annoyed because I outstaged you!" said Eva.

"Nobody outsatges Jude." Said Jude.

"Nobody talks in thirdperson!" said Eva. Jude rolled his eyes.

"Oh! It's on!" said Jude. Eva grinned.
